# Step 2 Fill out the Verified Artist form here: <u>musixmatch.com/verify-artist</u>

You will be contacted shortly by our Content Managers to complete your verification. If you manage multiple artists you will be able to manage all of them with one single account.

## **Become a verified artist**

Becoming a verified artist you will have full control over the lyrics of your own songs displayed across our mobile applications and website.

Please follow these steps:

1. Enter the artist name

2. Enter your name(if you are not the artist but you represent him/her)

3. Enter an email address we can contact you on

 By agreeing, you confirm that you comply with our Terms and Conditions and don't infringe anyone else's rights. If in doubt, please check with our Copyright Policy before proceeding.

# Add, edit and sync lyrics

# Step 1: Download Musixmatch

- Download the Musixmatch desktop app
- Sign in with your previously registered account
- Connect your streaming service

# Step 2: Play your song

You can play from **Spotify, iTunes** or Windows Media Player and Musixmatch app will show the lyrics automatically

# Submit new releases

## New Releases coming soon?

Fill out the <u>New Release</u> form to add your release on Musixmatch on the launch date. Our content managers will take care of your requests.

# Folow our writing guidelines

## Please respect our guidelines

Please, be aware that in order to provide the best quality lyrics content, we have some simple rules to follow:

- Write down all the parts of the song even when multiple repetitions occur
- Primary vocals are focus and backup vocals should be in parenthesis
- Transcribe the lyrical audio content only

## Read more on our <u>writing guidelines</u>

vhen multiple repetitions occur s should be in parenthesis
